Description Lockable wall mount for iPad mini 6th generation with 8.3" display. Used mainly for permanent iPad installations. Very thin, only 12 mm. No additional frame on the long sides - which is an esthetic plus - leaving all operating elements (microphone) accessible. The sDock Fix's sleek and elegant design underlines the unique and classic look of the iPad. The flush-mounted power supply sCharge optionally offers an invisible and permanent cable solution.
